4. E-mail: _____

5. In order to enhance our community gardening experiences, could you tell us a little more about yourself:

Community member

University staff

University faculty

University student

Organizational Plot

Name of organization _____

We are hoping to hold gardening sharing gatherings throughout the growing season which will be organized and facilitated through our Facebook page. Gardeners will also be encouraged to communicate within the Facebook group to voice any concerns, ask questions, share knowledge and plan events within the garden.

Do you, or anyone in your organization use Facebook? Yes No

Please list your name(s) as they show up on Facebook if you would be interested in joining a Facebook group for garden members _____

Upon registration with the garden, you will be sent an invitation to join the Facebook group.

Do you have any gardening tips, techniques, skills or knowledge that you would be willing to share with other gardeners? If so, please provide details/availability.

Are there any gardening tips, techniques, skills or knowledge that you would like to learn from other gardeners? Please specify.
